Picklists

The State-Wide Equipment Program (SWEP) generates and maintains picklists for the use of SWEP registered Practitioners. All picklists are generated with the input and rationalisation of the SWEP Clinical Advisory Panel who are groups of clinicians with expertise in prescription of equipment and at least ten years' experience in their area. There is a Clinical Advisory Panel for Children and one for Adults. Within each panel, there are sub-specialties for each equipment category.

All items on this quotable pick list require quotes and specifications to accompany the application. Reissue items do not require a quote unless there are modifications required to that item.

SWEP Practitioners have access to a pool of reissue equipment held at Chemtronics in Thomastown. Reissue equipment consists of items of Assistive Technology that have been refurbished and checked over to ensure they are in good condition for use. Please note we do not reissue low cost items.

Consumer applications where a reissue item has been selected do not go on our waitlist for funding. These applications are funded upon processing of a complete application. Reissue Items have their own Picklist Code in the category list, on the application you choose reissue item, then from the Picklist List enter the reissue picklist and it will then ask you to enter the Asset number and reservation ID from Chemtronics. For more information on reissue click [here](#)

Please note that some items may require co-contribution's due to SWEP subsidy funding levels. Items such as pressure care cushions are subject to subsidy timeframe limitations and a consumer who has previously accessed an item may have an altered co-contribution requirement.

SWEP has a separate pick list for the Contracted Items we have. For contracted items, you do not need to supply a quote, only a quote for accessories. This picklist can be found on our website [here](#)

Bathing & Toileting

Practitioners who can recommend and apply for these items - Occupational Therapist and Physiotherapist

S1.1	Shower stool
S1.2	Shower chair
S1.3	Shower stool - bariatric
S1.4	Shower chair - bariatric
S1.5	Bath seat
S1.7	Bath chair
S1.8	Shower commode attendant or self-propelled

HM11	Hand held bidet hose
HM12	Ramps non-compliant with AS 1428.1, step modifications, Structural door widening
HM13	Stairlifts – internal and external

Laryngectomy

Practitioners who can recommend and apply for these items - Speech Pathologist

LA01	Standard Humidification (HME)
LA02	Complex Humidification (HME)
LA03	Standard Adhesives/Attachments
LA04	Complex Adhesives/Attachments
LA05	Skin Care
LA06	Standard Laryngectomy tubes & buttons
LA08	Complex Laryngectomy tubes & buttons
LA09	Hands Free
LA10	Hands-free accessories/support items
LA12	Standard Accessories/Support items

LA13 Complex Accessories/Support items

Mobility Aids – Wheelchair/Scooter/Pressure Cushions

Practitioners who can recommend and apply for these items - Occupational Therapist, Physiotherapist

- X1.1 Manual wheelchair <15kg folding frame
- X1.2 Manual wheelchair <15kg rigid frame
- X1.3 Manual wheelchair – tilt in space
- X1.4 Manual wheelchair >15kg folding frame
- X1.5 Manual wheelchair >15kg rigid frame
- X1.6 Stroller - basic
- X1.7 Scooter accessories – (funding dependant on funding body guidelines)
- X2.1 Power wheelchair - standard
- X2.2 Power wheelchair – tilt in space
- X2.3 Power wheelchair – sit to stand
- X2.4 Power assist unit
- X2.5 Scooter – 3 wheel
- X2.6 Scooter – 4 wheel
- X3.1 Manual wheelchair – off the shelf customising
- X3.2 Power wheelchair – off the shelf customising
- X3.3 Manual wheelchair – custom made modification
- X3.4 Power wheelchair – custom made modification
- X4.1 Pressure cushion – low risk*
- X4.2 Pressure cushion – medium risk*
- X4.3 Pressure cushion – high risk*
- REI023 Reissue - Manual Wheelchair – complex
- REI024 Reissue - Manual Wheelchair - light
- REI025 Reissue - Manual Wheelchair - non-standard
- REI026 Reissue - Manual Wheelchair - power assist unit
- REI027 Reissue - Manual Wheelchair - standard
- REI028 Reissue - Manual Wheelchair – tilt in space
- REI029 Reissue - Power Wheelchair - complex
- REI030 Reissue -Power Wheelchair - non-standard
- REI031 Reissue -Power Wheelchair - standard
- REI032 Reissue - Power Wheelchair – tilt in space
- REI055 Reissue - Wheelchair - accessories
- REI033 Reissue - Pressure Cushion - air
- REI035 Reissue - Pressure Cushion - complex/combination
- REI036 Reissue - Pressure Cushion - combination
- REI037 Reissue - Pressure Cushion - complex
- REI038 Reissue - Pressure Cushion - contoured
- REI039 Reissue - Pressure Cushion - fibre
- REI040 Reissue - Pressure Cushion - standard
- REI041 Reissue - Scooter
- REI042 Reissue - Stroller

* Pressure cushions are classified into general categories for the amount of pressure relieving support they may offer

Orthotics

Practitioners who can recommend and apply for these items – Orthotist and Prosthetist

- O1.1 Foot Orthosis
- O1.2 Ankle Foot Orthoses (AFO)
- O1.3 Knee orthoses (KO)
- O1.4 Knee ankle foot orthosis (KAFO)
- O1.5 Ground Reaction Force AFO (GRAFO or GRO)
- O1.6 Charcot Resistant Orthotic Walker (CROW)
- O1.7 Wrist Hand Orthosis (WHO)
- O1.8 Elbow Orthosis (EO)
- O1.9 Combined WHO/EO
- O1.10 Basic Spinal Orthosis
- O1.11 Complex Spinal Orthosis
- O1.12 Reciprocating Gait Orthosis (RGO)
- O1.13 Bilateral KAFOs
- O1.14 Safety Helmet (specialised/custom made)
- O1.15 Boots & Bars
- O2.1 Shoe Modifications
- O2.2 Extra depth/width footwear
- O2.3 Custom Made Footwear

Pedorthics

Pedorthist (CPedAu) can recommend and apply for the following Orthotic picklist items

- O1.1 Foot Orthosis
- O2.1 Shoe modifications
- O2.2 Extra width/depth footwear

And

Pedorthist Custom Maker (CPedCM Au) can recommend and apply for the following Orthotic picklist items

- O1.1 Foot Orthosis
- O1.2 Ankle Foot Orthoses (AFO)
- O2.1 Shoe modifications
- O2.2 Extra width/depth footwear
- O2.3 Custom made footwear

Seating

Practitioners who can recommend and apply for these items - Occupational Therapist and Physiotherapist

- T1.1 Kitchen stool/Perching stool
- T1A Low back chair
- T1B High back chair
- T1.2 Paediatric chair (corner/activity)

- T1.9 Car seat (paediatric only)
- T1.10 Swivel base
- T1.11 Medical Grade Sheepskin
- REI043 Reissue – Seating – not recliner
- REI044 Reissue -Recliner

*if a pressure cushion is for wheelchair use you must choose from the Mobility Aids Picklist code and application form

* Pressure care cushions can be requested for seating however these will need to be submitted on the Mobility Aids application form.

Transfers

Practitioners who can recommend and apply for these items - Occupational Therapist and Physiotherapist

- Z1.1 Slide board/sheet
- Z1.2 Rotating seats
- Z1.3 Turn tables
- Z1.4 Transfer belts
- Z1.5 Kitchen trolley
- Z1.6 Ramp - portable
- Z1.7 Bath transfer bench / Basic transfer equipment
- Z1.11 Bath transfer bench - bariatric
- Z1.8 Clamp on bath rail
- Z1.9 Swivel bath chair
- Z1.10 Portable bath step
- Z2.1 Mobile floor hoist / Transporter hoist / Sit to Stand hoist
- Z2.2 Standing hoist
- Z2.3 Bath hoist
- Z2.4 Free standing/gantry
- Z2.5 Basic ceiling hoist – fixed or portable
- Z2.6 Tracking for Ceiling Hoist - Single or H Tracking
- Z2.7 Sling - standard
- Z2.8 Ceiling hoist which requires: modifications to the home or installation, multifunctional hoists, two motors to meet load capacity, hoist junctions and/or turn tables
- Z2.9 Sling – custom made or complex
- REI045 Reissue – Ceiling Hoist - basic
- REI046 Reissue – Ceiling Hoist - complex
- REI047 Reissue – Hoist - complex
- REI048 Reissue – Hoist - mobile
- REI049 Reissue – Ramp - portable

Vehicle Mods – Other

Practitioners who can recommend and apply for these items - Occupational Therapist

- U1.1 Roof Hoists
- U1.2 Basic Trailers
- U1.3 Basic Wheelchair carriers
- U1.4 Pelican Boot Slider
- U1.5 Passenger Side Brake
- U1.6 Passenger lowered floor modification Row 1
- U1.7 Passenger lowered floor modification Row 2 or 3
- U1.8 Passenger Seating Modification
- U1.9 Passenger Wheelchair Restraint System
- U1.10 Passenger modification-Contribution to existing modification of a 2nd hand already modified vehicle
- U1.11 Seat belts
- U1.12 Power operated tail gate
- U1.13 Passenger-air conditioning
- U1.14 Boot crane
- U1.15 Passenger-Consumer and/or wheelchair lift
- U1.16 Passenger access modification
- U1.17 Installation of Isofix
- U1.18 Customised Trailers

Vehicle Mods – Driver

Practitioners who can recommend and apply for these items - Occupational Therapist with post graduate training in driver assessment & rehabilitation

- U2.1 Driver-Accelerator Modification
- U2.2 Driver-Brake Modification
- U2.3 Driver-Hand control modification
- U2.4 Driver-Seating modification
- U2.5 Driver-access modification
- U2.6 Driver lowered floor modification
- U2.7 Driver modification-Contribution to existing modification 2nd hand already modified vehicle
- U2.8 Driver-wheelchair restraint system
- U2.9 Driver lowered floor modification Row 1
- U2.10 Driver-Other

Voice Aids

Practitioners who can recommend and apply for these items - Speech Pathologist

VA1	Electronic Voice Aids
VA2	Standard Voice Protheses
VA3	Specialised/Modified Voice Protheses:

Walking Aids

Practitioners who can recommend and apply for these items - Occupational Therapist,
Physiotherapist

W1.1	Pick up frame
W1.2	Gutter frames
W1.3	Wheeled Walker
W1.4	Walking frame rollator
W1.5	Walking frame rollator – bariatric 180 Kgs
W1.6	Wheeled Walker – bariatric
W1.7	Paediatric - Standing Frame - including sit to stand, swivel seat symmetry, prone./supine
W1.8	Paediatric self-propelled standing or free standing frame
W1.9	Paediatric basic posterior walker
W1.10	Adult basic posterior walker
W1.11	Adult standing frame including sit to stand, swivel seat symmetry, prone/supine
W1.12	Walker non-standard
W1.13	HART Walker (paediatric only)
W1.14	Walker - Oxygen bottle carrier (funding dependent on program)
REI050	Reissue - Walker
REI051	Reissue - Standing Frame
REI053	Reissue – Walker - complex
